

Shelter Monitor

Shelter Monitors are vital in ensuring the safety of our guests and the outcome of a successful shelter season. Monitors report directly to the Shelter Manager. Duties include conducting Firewatch rounds at regular intervals, assisting Shelter Guests, submitting daily electronic reports, and working alongside volunteers.

Requirements:

- Must be at least 18 years old.
- Able to legally work in the US.
- Must be able to work in a team environment and independently.
- Must be able to climb stairs, lift 30lbs, and be standing for long periods of time.
- Communicate well verbally and in written form.
- Must be able to work in a high stress environment and learn de-escalation skills.
- Multi-task and prioritize assignments.

Part-time work will include nights and weekends.

Submit BES Employment Application. If applicant has resume, send to info@bes-inc.org.

Shelter Monitors are employed from November through April of the following year.
